## PROFESSIONAL EXPERIENCE

**Shield Dev (Freelance)**– *Digital Development Teacher* January 2024 – July 2024
- Teaching employees about programming and computer science to facilitate their professional growth and upskilling

**Shield Dev (Freelance)** – *Full Stack Web Developer* August 2022 – July 2024
- Developed and launched more than 20 static websites, achieving a 100% customer satisfaction rate (family and friends).
- Implemented innovative web solutions for customers, increasing their online engagement.
- Led a team of 5 developers, improving project delivery time by 30%. Installed more than 500 software programs (Office 365 and other software) and more than 100 computers for customers, as well as repairing, activating programs and operating systems.

**High School 20 August Tan-Tan** – *Team Lead Develop* May 2024 – June 2024
- I lead a talented team of 4 developers to create a portfolio for the Lycée.
- We also developed a student-centric local app, similar to Twitter, promoting the sharing of ideas.
- In addition, we offer computer repair and software installation services, ensuring a smooth digital experience for students.

**Chaîne YouTube** – *HAMZA LABBAALLI*
- I make tutorials in Darija on Full Stack development.
